Message from the Executive Headteacher

Dear Parents/Carers,

Firstly, I would like to welcome all our new children, parents and staff into our Federation this year.

Over the last 12 months the Dove Shell Federation has been extremely successful. End of Year assessments for our schools have been excellent and we have learned a great deal from working together to provide the best possible education for our children.

We are fortunate in having developed an extremely highly-skilled staff across both our schools. This year I have been very pleased to be able to deploy them more widely between the schools to enhance the children's opportunities even further. I look forward to our continuing together in this way as we go from strength to strength.

Enclosed is a new Federation prospectus for your child's school. This gives important information about your school and the Federation. We are also launching our new school websites today. Parents can use these to find out all about how our schools operate and what is happening on a day-to-day basis. The website addresses are unchanged and are www.stthomasmooreside.co.uk and www.stjames-primary.co.uk.

Finally I would like to thank all our parents and carers for their support. Without your help and positive approach to school we could not continue to provide the high quality education all your children deserve.

Best wishes

Adam Laskey B.Ed(Hons), IOEA, NPQH
