

THE DOVE-SHELL FEDERATION

SEEKING THE BEST FOR EVERYONE
PEACE AND PILGRIMAGE

12th October 2017

Dear Parents / Carers,

We are delighted to inform you that in line with our expansion of our school sports provision on offer to your child, the Dove Shell Federation will now be offering holiday sports courses during certain school holidays throughout the academic year.

The first course will take place during the October half term break, from Monday 30th October until Friday 3rd November, 8.45am – 3.15pm each day. The course will take place at East Crompton St James' Primary School, and will be led by our sports coach Adam Young alongside Tom Bentley and Ciara Sutcliffe our Sports Assistants. Children will be given the opportunity to take part in a variety of sporting activities suitable for all age groups, all taking place in a safe and familiar environment. Activities will include Football, Cricket, Basketball, Athletics, Dodgeball, Boccia, Curling, team games and much more.

This course is available to children throughout the Dove Shell Federation who are currently in Year one and above. The cost of the course will be £50 for the whole week or £12 per day.

Children will be required to bring with them a packed lunch, drinks for the day (**no fizzy please**) and any medication that they require. They will also need to be suitably dressed in sports wear for both indoor and outdoor activities.

We are hoping that the courses prove to be very popular, and not only help you with childcare over the holidays but also allow your child to stay active during their time off school.

If you wish your child to participate in the club please complete and return the permission slip attached to school together with the correct amount (**cash only please**) in an envelope marked clearly with their name, class and 'Holiday Sports Course', **as soon as possible**. There are a limited amount of places which will be allocated on a first come first served basis. We will confirm your child's place before the course begins.

If you have any questions regarding the course please feel free to contact me at any time.

Many thanks

Adam Young
