

# THE DOVE-SHELL FEDERATION

SEEKING THE BEST FOR EVERYONE  
PEACE AND PILGRIMAGE

12<sup>th</sup> October 2017

Dear Parents / Carers,

It has been arranged for Year Three to experience a Stone Age workshop which will be held at East Crompton St James' Primary School on the morning of **Wednesday, 25<sup>th</sup> October** as part of our topic work about 'Who first lived in Britain'.

The purpose of the workshop is for your child to discover how Stone Age people lived and encourage the children to understand how early man used their surroundings in order to survive. Your child will do this through working in groups to look through discovery boxes to find clues about how people lived in early Britain.

The focus of the workshop is to find out:

- What tools people had and what they were used for
- What clothes people wore and how they were sourced
- What people ate and how their food was sourced
- How the discovery of certain things helped with the development of people

The cost for this experiential learning day is £3.00, which will cover the interactive workshop. This will need to be paid online via Parent Pay. If you would like your child to participate then please return the permission slip below and payment by **Tuesday, 24<sup>th</sup> October**.

Yours sincerely,

Miss Potts and Mrs Young

---
