

Tuesday 20th February 2018

Dear Parents / Carers,

At our recent School Council meeting we gathered all our classmates' ideas for WORLD BOOK DAY 2018.

Please could you support us in celebrating reading on Thursday 1st March by your child coming to school dressed as ANY CHARACTER from a children's book. Please remember that we will be playing out during the day so we will all need a warm coat and sensible shoes.

During the day we will focus on a variety of reading activities, including reading buddies - older children will listen to/read to the younger children. We will also create artwork to form a Reading Display in each key stage - celebrating illustrators as well as authors.

Thank you for reading our letter,

The School Council
