25th October 2018

Re: Playground

Dear Parents / Carers,

Thank you to everyone, parents, children and staff for an excellent start to the year and a fantastic first half term.

I am delighted to be able to let you know that we have received a grant of £45,000 from the Garfield Weston Foundation to refurbish the school playground!

The children are very excited about the changes and proposals for the new playground areas are being discussed with them via the school's council. The playground will include some wonderful new play and exercise equipment and will also have a natural area. Draft plans will be available for parents to see in the school hall on parents' evening.

The work will take place in phases and we are in the process of clearing some areas ready for the new equipment and surfaces to be installed. The outdoor classroom had begun to rot away at its base and was becoming a concern as a hazard to the children and so has been dismantled already.

Over the installation period it may be necessary to cordon off various areas whilst work is being completed and we ask for your patience and co-operation during this time.

I look forward to seeing some of you at our Harvest Service tomorrow and wish you all a happy half term break.

Yours faithfully,

Mr A.J. Laskey
Executive Headteacher
